Dear Mr. Irving:

On July 16, 2003, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Irving Oil Corp. ("Irving"). The purpose of the inspection was to determine Irving's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Irving was issued Letter of Deficiency No. WMD 03-22 ("LoD"). Based upon a review of Irving's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Irving's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
